Map: Färskesjön SO, mapped/revised 2010 by Kenneth Kaisajuntti.
Scale 1:15 000
Contour interval 2.5 m

Terrain: The competition area is located in the south east part of Torhamnslandet, south east of the Färskesjö area. This area is slightly hilly, characteristic are the many and fast run slick rock areas. The terrain is technically very challenging and focused navigation will be needed, especially in the vast flat parts. The vegetation is mixed and runability is good.

Event centre: Sibbaboda arena, 8 km south east of Jämjö along the coast road between Kristianopel and Torhamn. Directions from road E22 through Jämjö.

Parking: Max. 1500 meter from the competition centre.

Start: First start at 11.00 AM. The start is adjacent to the competition centre.

Changing-tents: The Elitserien has special tents. Other classes can use the showers.

Shower: Warm outdoor shower.

Child care: Available at the competition centre. String course is available all through the competition.
