The youth courses, the shorter courses and the last part of the longer courses run in a recreation area with many larger and smaller paths. There may be new cycle paths in the terrain. Good run ability as the grass has not yet had time to grow up.

Sprint: All courses run in an recreation area with a lot of trails and also a golf course through the area. Partly many details in the terrain. Be attentive in the vicinity of the golf courses and respect prohibited areas.

Weapons

Electronic rifles are available at the shooting range, also for adjustment shooting. The organizers will have electronic rifles for the participants in these classes.
