

## INVITATION AXA YOUTH RELAY 2013

In connection with the opening of O-Ringen Boden 2013, Saturday July 20th 2013, a youth relay will take place.

Once again all talented juniors will have the chance to compete in front of a large audience. And we hope for an exciting competition and an action-packed fight between the world's juniors. The relay will also this year have a strong international touch, as the number of national teams is steadily increasing.

The start and the finish of the relay will be situated at the Boden Arena in the middle of the O-Ringen Town in Boden.

**Classes: One class, girls and boys mixed, the legs are to be run as follows:**

Leg 1: Girls up to and including D16
