

# CHASE START STAGE 3 - IDREFJÄLLENS 3-DAYS

We will use three different starting methods during the last stage of the Idrefjällens 3-days and we describe these below:

- Classes D10, H10, D12, H12, D75, H75 and H85 have as usual, i.e. a drawn start list. with 2-minute intervals between starts.
- Classes D14, H14, D16 and H16 have a chase start for those runners who are a maximum of 15 minutes behind the leader after two stages. Others, who are more than 15 minutes behind the leader will start **AFTER** this time with 1 minute start interval in the order in which they are placed after two stages.
- Other classes, HD18-HD65 have a chase start for those runners who are max 15 minutes behind the leader after two run stages. Others, who are more than 15 minutes behind the leader after two run stages will start from about 15-45 minutes **BEFORE** the class chase start begins. These runners will start at 1-minute intervals in order of placement after two stages.
