Traffic-PM

25manna 2013

12-13 October in Brunna, Upplands-Bro County

Car parking

Signs for the competition parking areas will start from the E18 at the Brunna exit (number 150).
GPS-coordinates: N 59° 29' 43" E 17° 44' 42"

We advise that you carpool as much as possible as there is a limited number of parking spaces available for cars.

Follow the signs along Granhammarsvägen, and thereafter instructions from parking personnel.
The distance from the parking to the event venue ranges from 800 m to 2 500 m. The path is push chair friendly and will be indicated by red/white tape.
Parking fee on the Sunday is 20 SEK per car.

No parking is allowed within the residential area east of Granhammarsvägen.

Since there is limited number of parking spaces available the parking personnel may need to redirect drivers to the car park at Kungsängen train station. From there you can either take the bus (see below) or cycle, or walk, to the event venue (approximately 3 km).
If you are taking the bus then please do not forget your SL Access card as the buses do not accept cash.

We recommend that competitors choose to travel by public transport, see below.

VIP/Press

There is a dedicated parking area for VIP/Press for those with valid VIP/Press parking permit. Follow the signs to the usual parking area and then signs and officials' instructions.

Public transport

There may be a long walk from the parking area to the event venue since there is limited number of parking spaces available close to the event venue.

Bus 557 (the bus stop is next to the northern exit from Kungsängen station) towards Sticklinge. Leave the bus at Marknadsstigen, and from there follow the red/white tape to the event venue (approximately 700m). SL will be running extra buses on Saturday 12th October that will match the trains.

Cyclists

Possibility to cycle from Kungsängens station to the event venue is very good. Follow the red/white tape. As the route passes under the E18 cyclists will join the pedestrian traffic from the bus park so please pay attention and give consideration to others on the path.

Bus unloading and parking

Signs for the competition parking areas will start from the E18 at the Brunna exit (number 150).

GPS-coordinates: N 59° 29' 43" E 17° 44' 42"

Bus passengers should leave the vehicle at Kungsängens IP (sports ground) and from there follow the path indicated by the red/white tape to the event venue. Bus parking will be at the sports field (P Bus 1) and at Kungsängens old sports ground (P Bus 2). Please follow the signs and the instructions given by parking personnel. Parking fee on the Sunday is 100 SEK per bus.

Outward bound

For the homeward bound journey the whole travel party should assemble at the new sports ground, where they disembarked, and from there request the bus to drive up from the main parking at the old sports ground. Those who are parked at the new sport ground can load where they are parked.
