

TRAVEL PM

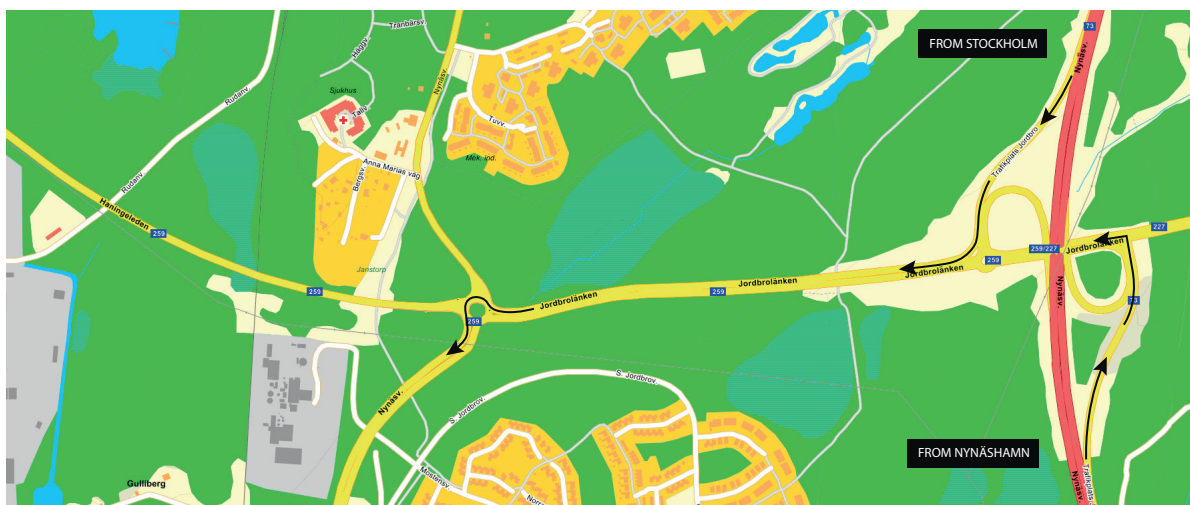

25manna 2014

The best way to get to this year's 25-manna is by using the Commuter Train (pendeltåget) – to Handen Station. It is approximately 500 m to walk to the Event Arena. It is the closest you can get!

For buses and cars, vehicle parking will be signed from road number 73 at the exit (trafikplats) called Jordbro. It will also be signed from road number 259 via Lissma/Lännavägen. You should also look out for both yellow 25-manna-signs and normal orienteering flags. Please follow these signs to help the traffic flow as smoothly as possible!

Buses and cars will be parked in different areas so be careful to follow the correct signs!

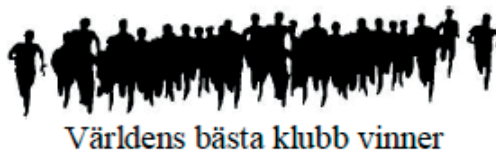

BUSES

Buses that are only dropping off passengers and will then drive away, can do so at the "Drop-off-zone" on Lillsjövägen in Jordbro Industrial estate (industriområde).

Buses that will stay during the day are kindly asked to place their Parking Ticket (Parking Ticket will be available for print at Eventor) in a visible place on the front windscreen before arrival and to follow the parking instructions. See map!

CARS

Cars will be parked both in central Handen and in Jordbro business park. Maximum distance from the parking to the Arena is 3.5 km, following tapes.

In central Handen there are also public parking places available; follow the signs.

In Jordbro Business Park (Jordbro företagspark – JFP) we shall park cars in a number of different sites, please follow the signs and instructions of our cheerful volunteers!

CARAVANS

Caravans/Campervans are advised to use Östnora Camping, Östnoravägen 37, which is open during the weekend. Book at www.ostnoracamping.nu or mail info@ostnoracamping.nu

HARD FLOOR ACCOMMODATION

Those staying at Riksäpplet should use the multi-storey car park opposite the school. Do not forget to pay the parking fee. Those arriving by bus should unload passengers at Riksäpplet and then drive to Torvalla Sports Centre to park.

Welcome to 25manna 2014!
