

Memo

Nordic National 17th May 2015. Long distance.

Site: Buars equestrian yard, signs from E6 exit 108, changed compared to the invitation. Parking maximum 200 m from the competition center which is housed in a horseback riding indoor arena.

Service: Serving and toilet at the competition . No toilet at start / finish.

To start: Approximately 1300 meters, orange / white stripes . Steep hill to the start . Those who have wheelchairs may drive your own car and park about 200 meters before the start area at the designated location. For others who need , arranged car from the competition center.

Start: First start 10.00. According to the start list for the classes A , B and C. No starting stamping for these classes.

Participants in the elite class starts with start stamping after the timed control.

Sportident: Timing is done with Sportsident. Emptying and checking on the way to the start.

Open classes: The classes ÖA , OB and OC . Registration at the competition center 9:30 to 10:00. Start 10:00 to 10:30 .

Course lengths and maximum times: Elite 1260m , 124min . A 1260m , 119min . B 1260m , 99min . C 970m , 72min .

The maximum time has been increased for all classes by five minutes because of the hilly terrain. This is included in the maximum time standing on the course definition. Those with wheelchairs, will get an extra 10 due to uneven surfaces .

Competitions courses: E, A and B courses are divided into two parts with time stop in between.

Elite course has a map and a start card for each part. First start card in handed in at the time stop. On the E - class maps each course length is printed. Both maps have the total maximum time listed.

A and B class has two parts on the same map and uses only one start card .

Stamping takes place at the stop time , restart and finishes for classes E, A and B. Only at the finish for the C- class.

Timed controls: Elite class does the timed control from 10:00 according the starting order. Two tasks , maximum time of 60 sec .

A-, B- and C- class has the timed control after the finish. A has two tasks , maximum time 90 sec . B and C have one task , maximum time of 60 sec.

Map : Scale 1: 4000, contour interval 2.5 m. Drawn on laser scanned base material by Göran Olsson 2014. Laser Printed.

Memo

Nordic National 17th May 2015. Long distance.

Flags: At some controls signs, one can also see flags from afar. At these places, only the flags that are closest counts. Eg one sees five flags and three are close, it will say A-C on the control definition. At very long distances to the flags, an extra flag is used above the other flag or a larger flag is used.

Compass Problem: There is wind turbines on the competition area and in the vicinity of this, magnetic anomalies occur.

Protest time : Until 15 minutes after the final result is finalized and the last competitor arrived at competition centre.

Award ceremony: As soon as possible after the protest deadline.

Main officials: Event Director: Tomas Karlsson phone 0524-214 30 or 073 3373341.

Assisting Event Director Valter Gebl phone 070 1801340.

Course planer: Bosse Sandström, phone 070 5223182.

Course- and competition controller: Michael Johansson, Vänersborgs OK.

Jury: Arne Ask Norway, Vibeke Vogelius Denmark, Jari Turto Finland.

GOOD LUCK!
