Welcome to the third annual **Örebro City Sprint**, which this year is ranked as a **World Ranking Event (WRE)** with international elite classes for our top runners.

As in previous years, we are offering exciting orienteering courses for everyone in the beautiful parklands and urban environments of Örebro city centre, this year in the southern parts. The programme offers an individual **Sprint Race** followed by a **Mixed Sprint Relay** of four runners per team in line with new World Cup standards.

Do come and enjoy an exciting and challenging event with a newly drawn map, well-organised arena and high-quality venue services including online controls race commentator!

All Örebro City Sprint participants will receive a discount on the entrance fee to Europe's most modern adventure swimming pools at **Gustavsvik Resorts**, featuring wild rapids, ruins, jungles, thrilling water slides and much more. **Discounted entrance fee is 100 SEK** (ordinary price is SEK 185 per person).

### Event Centre

The Event Centre is located in the southern part of the city centre, in a park named Drottningparken (The Queen's Park).

Easiest entrance is from the south. There is a free car park (Tappstället) within walking distance, marked with a P-sign on the map.

### Terrain

Classic urban sprinting terrain including densely built-up areas and parklands, offering challenges such as courtyards and several interesting possible route choices and demanding quick decisions at high speed.

## Map

Drawn 2015-2016 by **Mats Carlsvärd**, Almby IK, according to the international specification for Sprint orienteering maps ISSOM 2007, Swedish version 2010.

Equidistance: 2 metres.

Scale: 1:4000.

The same scale and size of symbols are used for all classes.

## Transportation (train)

Örebro Central Station is only a 1200-metre walk from the Event Centre and train is an excellent mode of transport to the competition. Most trains also stop at Örebro South Station (Örebro Södra), only a few hundred metres from the Event Centre.

## Transportation (airport)

Örebro Airport offers regular flights to and from Copenhagen (Kastrup Airport) and Malmö (Sturup Airport). Flight times and prices may be found at [www.orebroairport.se](http://www.orebroairport.se)

## Parking

To keep participants away from the competition area, we suggest public car parks and on-road parking south and west of the competition area. There is a free car park nearby, immediately south of the Event Centre called Tappstället.

Web link to car parks in the city of Örebro: <http://www.orebro.se/592.html>

## SPORTident (SI-Cards)

All types of SI cards are permitted: SI Card 5, 6, 8, 9, 10 and 11. Registered runners without a SI-card may hire one for 30 SEK. Hired sticks that are lost are charged at 400 SEK.

## Competition rules

**IOF Competition Rules** for WRE classes **M21E** and **W21E**.

**The Swedish Orienteering Federation** standard competition rules and instructions for Sprint races for all other classes.

Free clothing.

**Footwear:** Shoes with metal and rubber studs are prohibited! Use running shoes or similar.

All runners participate at their own risk.

## Refreshments

Well-stocked refreshment stalls at the Event Centre with hamburgers, hot dogs, sandwiches, coffee, tea, soft drinks, cake and ice cream.

**Embargoed area  
for Örebro City  
Sprint 2016**

Passage through the area on public roads is allowed and participants are allowed to be in the area without an orienteering map until 25 June 2016. Training with a map and any route choice testing is not allowed any time before the race day.

The embargo extends to anyone who through their knowledge of the terrain or the events could influence the WRE results.
