

### Place for getting of and on the buses to 25manna (WGS84: 59.267665, 17.925374)

To be directed to a place for getting of and on the buses, all buses have to drive of E4N or E4S at the junction 151. Follow the directions towards Kungens Kurva. Drive on Smistavägen until you get to Ellippsvägen. At the traffic circle at Ellippsvägen the parking attendant will lead the bus to av place for getting of or on the buses. Please follow the directions given by the parking attendants. Unload and leave the unloadingarea as soon as possible, to leave room for other buses to unload. Approximately 200 buses need time to leave their passengers in one and a half hour.

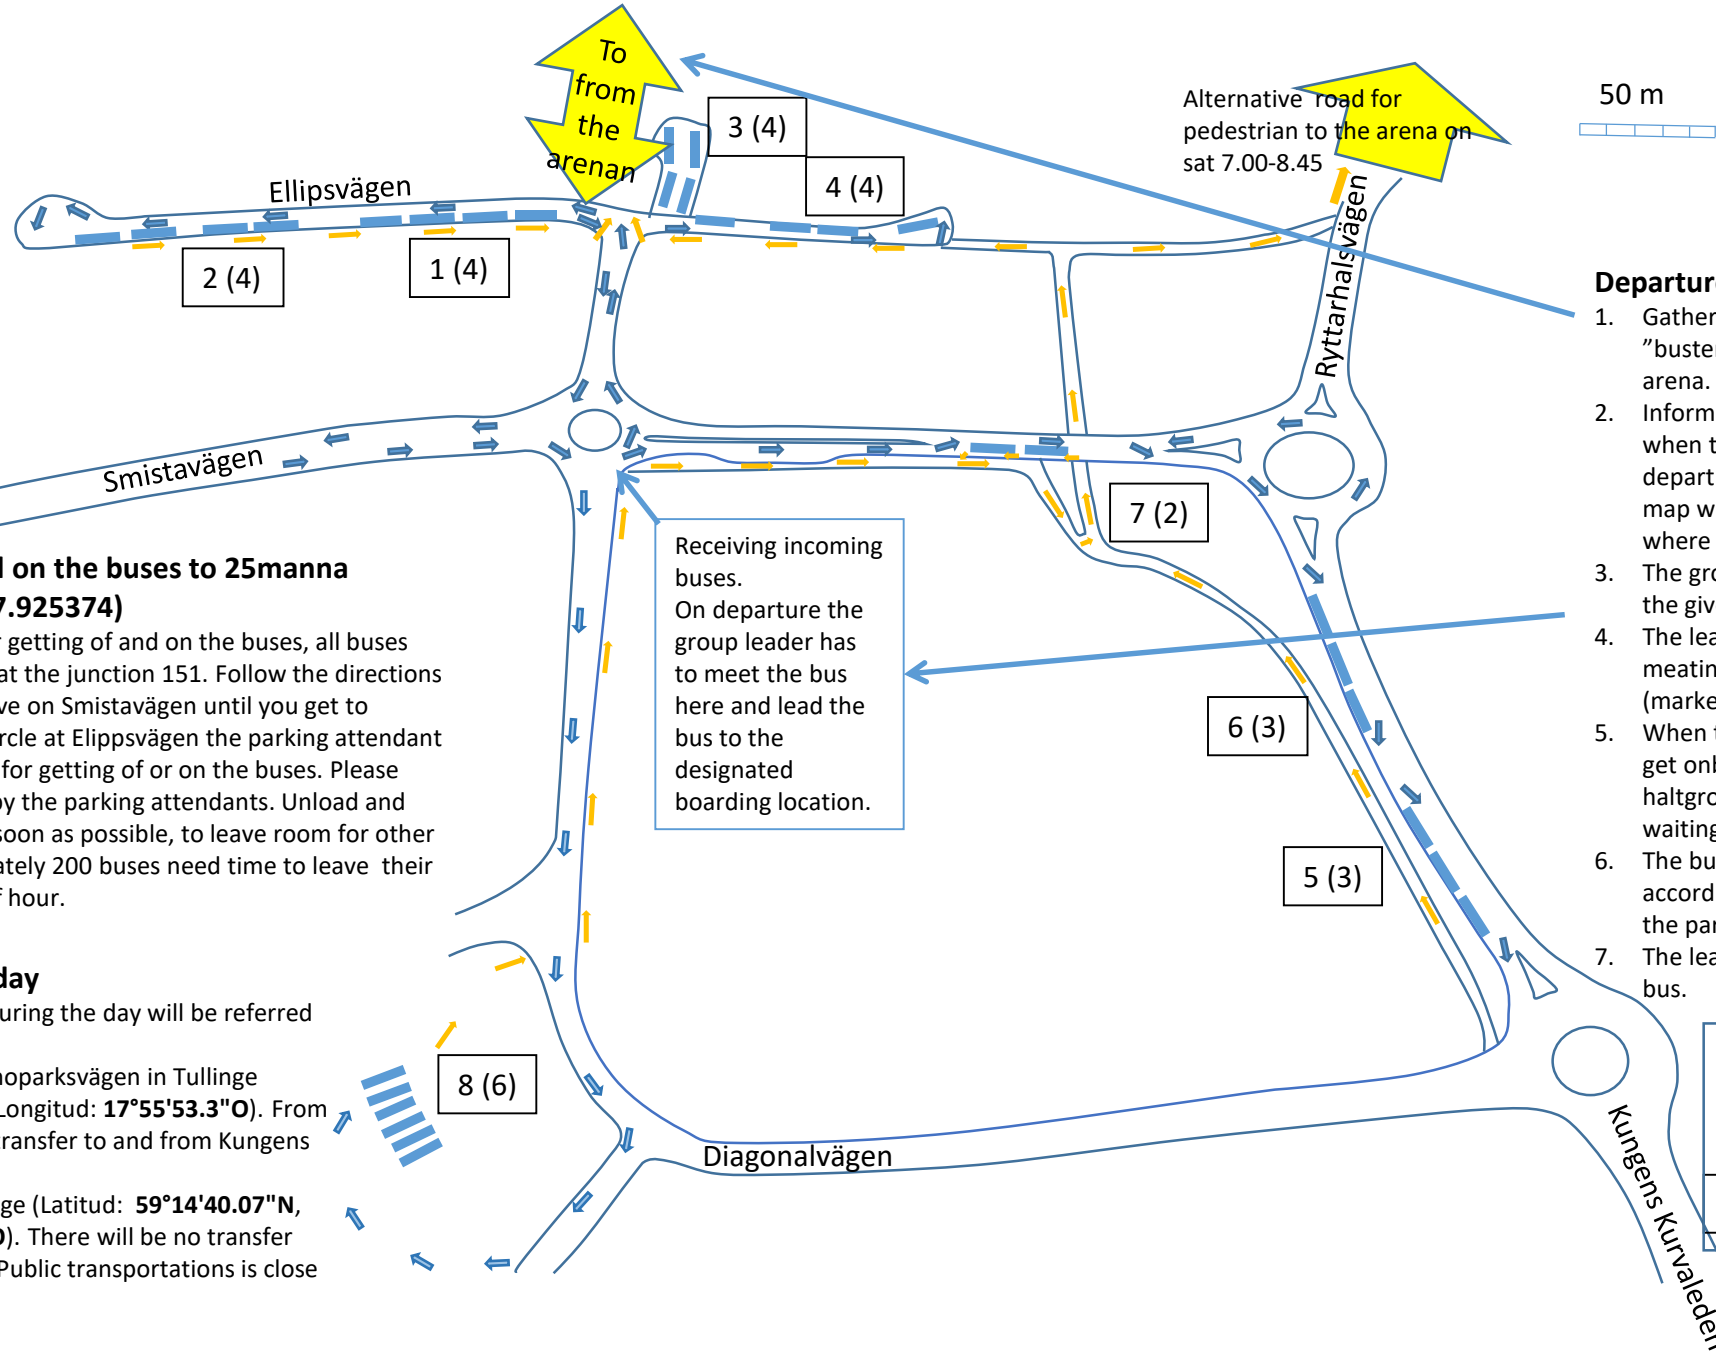

### Busparking during the day

Buses which need a pound during the day will be referred to:

1. Pålamalmsvägen at Kronoparksvägen in Tullinge (Latitud: 59°11'25.4"N, Longitud: 17°55'53.3"O). From here there will be a bustransfer to and from Kungens kurva.
2. Gymnasievägen, Huddinge (Latitud: 59°14'40.07"N, Longitud: 17°59'57.98"O). There will be no transfer from here to 25manna. Public transportations is close to the parking lot.

### Departure and loading of buses.

1. Gather the group adjacent to the "bustent", at the entrance to the arena.
2. Inform the one at the "bustent" when the group is ready for departure. The goup leader will get a map with information on when and where the bus can pick up the group.
3. The group leader takes the group to the given haltgroup.
4. The leader will then walk to the meatingpoint for arriving buses (marked on the map).
5. When the bus arrives, the leader will get onboard and lead the bus to the haltgroup where the group is waiting.
6. The bus will park for boarding according to the directions given by the parking attendant.
7. The leader will bring the group to the bus.

Receiving incoming buses. On departure the group leader has to meet the bus here and lead the bus to the designated boarding location.
