## Maximum time

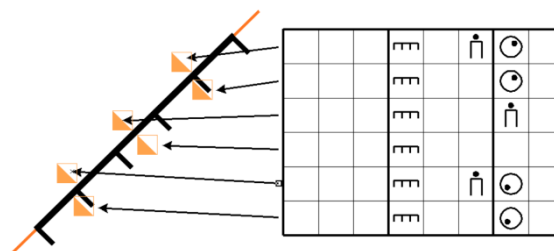

Elit 107min, A 113min. SportIdent is used for timekeeping (start and finish punch) for all courses. SI-card can be rented for cash, SEK 20 or € 2, at the arena. No other classes since nobody have entered for them.

## Map and terrain

Part of map SM-kartan 2014, Scale 1:2500. Contour interval 2,5m. The map is made in 2013/14, revised for PreO 2017 mostly contours with LIDAR. Laser printed. The course is along a forest road. Moderate contoured forest terrain, good visibility. Flags are sometimes placed close to each other. Please be aware of this so that the correct flags are considered for a specific control.

## Special rules

A control description with two location symbols will be used. See an example of how it is used to the right.

## Forbidden area

Everything except the forest road (map symbol 505) is forbidden area.
