

Memo for World Cup in Biathlon Orienteering June 30th 2018

Directions: From route 625 between Kungälv and Lilla Edet, 1 km south of Västerlanda church.

Parking: At assign area close by the competition area.

Distance: Normal. Location orienteering – orienteering – prone shooting – running course – standing shooting.

Punching system: SportIdent

Classes and course lengths: Will be in the start list.

Start: The competition start will be 950 meters away from competition area. Different start for HD10-14. Gathering 11:20 o'clock beside the air rifle range for review and departure to start.

Location orienteering: 3000 meters, 10 controls – 5 in the course and 5 outside the course. MW12-14 and open class will have a shorter course drawn as a “corridor” at the map and will only have 5 controls in the course (blue kites). OBS, read the signs in the course! No location orienteering for HD10. Observe that all participants have to mark their change of map with the SportIdent.

Fluid: At the map change and at the longest courses. Possible to but your own water beside the shooting range.

Weapon control: Opens 09:30 at the shooting range. Every move to and from the shooting range have to be by the weapon control.

Loan of weapon: Will be delivered at the weapon control 09:30. Bring identification.

Security briefing: Will be held in connection with that the loaned weapons will be delivered. It will be a briefing of the rules according to the Swedish Biathlon Orienteering Federation. Every competitor are welcome to participate.

Adjustment shooting: 10:00 – 12:00 on paper targets. See the notice about the distribution of shooting ranges.

Shooting: Shooting against self-marking targets. Leave the map to tallyman at the shooting range. MW10 – 16 and open class 10+10 shots in prone position, others 10 shots in prone position + 10 shots in standing position. The weapon should be placed in the arms rack between the shootings. See the map of the competition area. Participant number 101 will have place 1 in the arm rack and so on.

Start bibs: All participants are going to wear a start bib. Help yourself at the start, see the start list. You will wear the same bib on Sundays competition so keep it.

Start: First ordinary start is 12:00. Participant with late entry starts before 12:00.

Map: Hålt, scale 1:10 000. Contour intervals 5 meters. Drawn 2012, updated 2018.

Control descriptions: There will be loose descriptions for the orienteering at the start for the location orienteering. The control descriptions will also be on the map.

Terrain: Forest with elements of habitation and rough open land with scattered trees. Moderately hilly with shifting accessibility.

Shower: In OK Gipen's clubhouse where the banquet will be served.

WC: At the competition area.

Food parcel: Will be in the “food parcel tent” at the competition area.

Price giving ceremony: At the banquet.

Banquet: 18:00 at Kompassen, Ström.

Competition jury: Desiré Rex, Hans Mandahl and Hans Wickbom.

OBS!: Felling in the forest is ongoing. If a machine is running, 90 meters of safety clearance apply.

Welcome and good luck!

Big Thank You to our sponsors:
