

Stockholm Indoor Cup 2019

The world's biggest indoor orienteering event!

Stockholm Indoor Cup is back! This year's competitions offers two competitions in two different schools with two completely different difficulties. The first stage in the heart of Stockholm, only 500 m from the Central station. The second stage will take place in Huddinge, easily accessible by commuter train.

Saturday 2 february - Stage 1: Anna Whitlocks Gymnasium, Hantverkargatan 29, Kungsholmen. Directions: <https://goo.gl/maps/sLXCiGqJ2fE2>. 150 m walk from Rådhuset (metro) and 900 m walk from Stockholm Central station (trains and Metro)

Sunday 3 february - Stage 2: Huddingehallen, Gymnasievägen 2, Huddinge. Directions: <https://goo.gl/maps/fvou9yXUCSU2>. Train to Huddinge station, then 1,2 km walk, or bus 705, 710, 709, 744, 742 to Kvarnbergsplan.

Transportation: Public transport is recommended. No organized parking. If you travel by car, park according to local regulations on nearby streets and parking lots (during stage 1 we are in central Stockholm - and it might be very difficult to find parking). We will try to recommend some parking spaces.

Competition: Two stages, one on Saturday and one on Sunday. The time from both stages are summed up to give a total result. Shortest total time will be SIC champion 2019!

Start: First start 10:00 and last start 14:30 both days. Allocated start times are applied in all categories except the entry-on-day classes. You may choose your start time in blocks: block 1 (Swe: "Start timme 1"), block 2 ("Start timme 2") and so on. One block of start times is one hour long, e.g. Block 1 means a start time will be allocated some time between 10.00 and 11.00. The last start block is only 30 min. We do not have a maximum running time, but the finish closes at 15.30 so choose a start time accordingly.

Competitor limit: To ensure a safe and fun competition for everyone, we have a maximum number of allocated start times at 250 starts per hour across all categories. Do not wait with entering the competition to ensure you get your preferred start time!

Entry: Through Eventor (<https://eventor.orientering.se>) (preferably, otherwise by e-mail to info@stockholmindoorcup.se) by Sunday 27th January 23.59. Entry fees per stage are 120 SEK/ adult, 75 SEK/ youth below 16 years. Late entries are allowed until Wednesday 30th January 23.59, at a 50 % extra fee.

Are you in a tight schedule to catch your flight to/from the competition? Send us an e-mail and we will help you the best we can!

Payments: If you are not a member of a Swedish orienteering club you MUST pay your entry fee prior to starting. The organisers may deny start if payments have not been made. Payments can be done at the arena or in advance with international transactions to the following account:

IBAN: SE06 8000 0832 7994 3636 0920

BIC: SWEDSESS

Bank: Swedbank

Recipient:

Stockholms Inomhusorienterare

Nissastigen 3

128 41 Bagarmossen, Sweden

Advance payments should be done in SEK if possible.

If preferred, payments can also be done at the arena by credit card or cash. Please do not hesitate to contact us at info@stockholmindoorcup.se for any questions concerning payments.

Map and rules: Two newly drawn maps 2018/2019. A map from a previous year will be presented so that you can practise the technique before the competition. The competition has seen a rapid growth of participants which is really fun, but also bring difficulties. Finding suitable areas for indoor-O is becoming trickier and although our arenas this year are quite large the "terrain" may feel a bit crowded. If you want a less crowded experience, consider choosing a late start time (start block 4 or 5) as experience has shown that most competitors prefer an early start time.

Arena service: Live results, speaker, and of course a great café service (card payments accepted)! We also provide showers both stages!

Extra training: Feel like indoor-O is not enough? Combined with Saturday's event, there will be a long run for everyone interested! As we are in the middle of Stockholm, this will be a great way to enjoy some Stockholm sightseeing while running- combined with some nice sprint maps! Free start, choose whether you want to do the long run before or after your SIC race. Courses from 5 to 18 km. Refreshments will be available along the route. Entry either by e-mail or through Eventor's "extras" when entering the competition. For this we charge a small fee of 50 SEK.
