

Fisksätra Sprint Event – Bulletin #1
100 Year Anniversary of the first official orienteering competition
Swedish League Event #4
Sprint IOF World Ranking Event
with spectator races and
Prologue of Stockholm City Cup

Friday May 3, 2019

Welcome to celebrate the 100 Year Anniversary of the first official Orienteering competition which took place in Nacka, Stockholm 1919! Järla Orienteering and Tullinge SK organize the Swedish League Finals with three events over three days: Friday (Sprint), Saturday (Middle) and Sunday (Long).

The Fisksätra Sprint Event is organized close to the start of the first ever orienteering competition. Today, this area offers challenging Sprint conditions with apartment complexes surrounded by terrace house areas. We guarantee you professional courses on a brand new Sprint map.

Enjoy an exciting event with a well-organized Event Arena and high quality services including online streaming by the Swedish Orienteering Federation and professional race commentary by Per Forsberg!

For more information, please visit the 100 year anniversary web page swedishleaguefinal2019.se

Competition Type	Sprint
Elite Classes	W21 (WRE), M21 (WRE), D20E, H20E, D18E, H18E
Swedish League	Sub classes E2-E3 depending on number of participants. This will be determined at the time of publishing of the start list.
	Estimated winners time 13-15 min.

Competition rules

SOFTs rules and IOF Competition Rules applies for Swedish League classes. SOFT policies for other classes. No restrictions on competition clothing. Sipke shoes are not permitted, stud shoes are allowed.

World Ranking

World Ranking results are registered for runners with an international ID. The international ID is obtained at [IOF Eventor](#).

Map

2018/2019 by Simon Hector following Sprint Map Standard ISSOM2007.

Scale 1:4000, equidistance: 2,5 m.

HD45 and older and open classes: Scale 1:3000.

Terrain

The competition area consists of large apartment complexes with a variety of inner courtyards, stairs and bridges. The apartment complex area is surrounded by three dense terrace house areas and a few groves. The Event is located at sea level and the highest point in the competition area is 50 meter above sea level. The area has previously not been used for orienteering competition.

Embargoed area

The competition area is strictly embargoed and it is not allowed to visit the area until the competition is completed. Exception applies to Saltsjöbanan and highway Saltsjöbadsleden. See [link](#) at the Eventor web site for details.
