

Map completion bulletin

Map completion 1

Machines from the nearby lime mining industry have drilled groundwater monitoring wells after the competition maps were printed, which resulted in distinct tracks in the terrain. You will find these below marked in violet.

The following classes may be affected of the changes:

- Swedish league Saturday – None of the classes
- Swedish league Sunday – All of the classes
- Helg utan Älg – Saturday – H/D18- H/D55, H60, H/D65, H/D70, H75, Medelsvår 5 km, Svår 3 km, Svår 5 km, Svår 7 km
- Helg utan Älg – Sunday – H/D16, H/D18, H20, H21K, H/D21, H/D35, H40-H55, Mycket lätt 4 km, Lätt 5 km, Svår 7 km

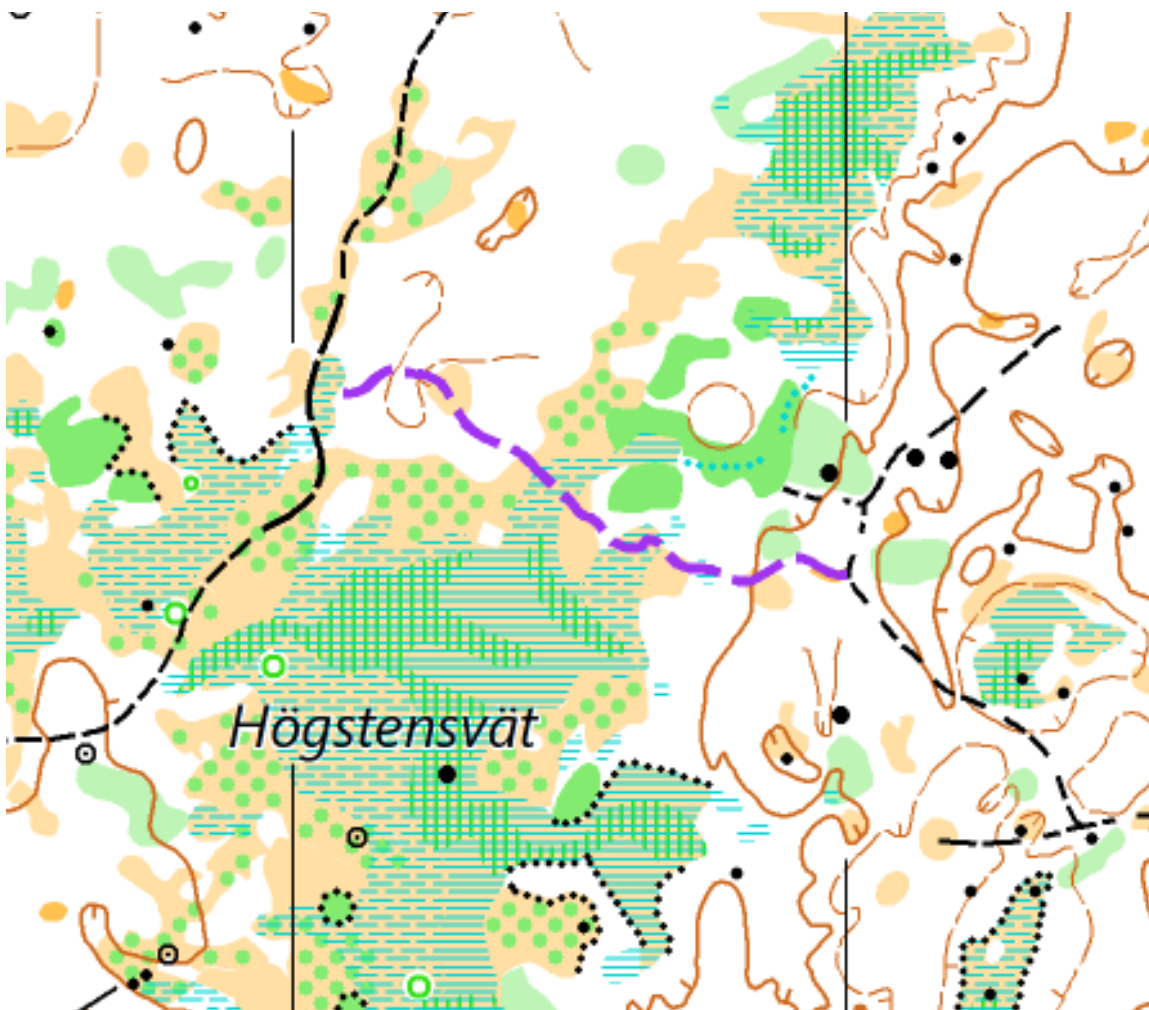

Map completion 2

A new track in the form of an indistinct path has been formed after a cycle track was laid by Gotland Bike Park. You will find this below marked in violet.

The following classes may be affected of the changes:

- Swedish league - Saturday – All of the classes
- Swedish league - Sunday – None of the classes
- Helg utan Älg – Saturday – H/D16, H/D18, H/D20, H21K, H/D21, H/D35, H/D40, H45-H60, Svår 5 km, Svår 7 km
- Helg utan Älg – Sunday – None of the classes

Map completion 3

Wooded area marked in red have recently been thinned out and logs have been laid out in the blue area. This only affects Swedish League classes marginally.
