

Accommodation-PM (Camping at the arena)

Information

Lists indicating allocated camping sites and maps will be published at Eventor and www.10mila.se by May 4 or earlier. Read the information beforehand for smooth arrival. Parking cards for the camping will be distributed to each association via e-mail.

Please note that all traffic to 10MILA must pass Garphyttan and that other route choices to the arena will not be possible.

Follow road signs to 10MILA from Garphyttan. The road becomes a one-way road after approx. 2.5 km. **Continue in the right lane** to reach the arena and show your parking card to the parking officials. Then follow the instructions for arrival at your accommodation.

NB! During Saturday, arrival is recommended before the start of Ungdomskavlen (10.30). There is a risk of traffic jam due to a road passage for the runners. The directions of the traffic guards must be followed. The traffic guards' directions need to be followed also when exiting the arena until the competitions have ended.

Of course it is ok to use the ordinary parking for passenger cars in Sännaboda. See Traffic-PM.

Accommodation at Camping-site FC

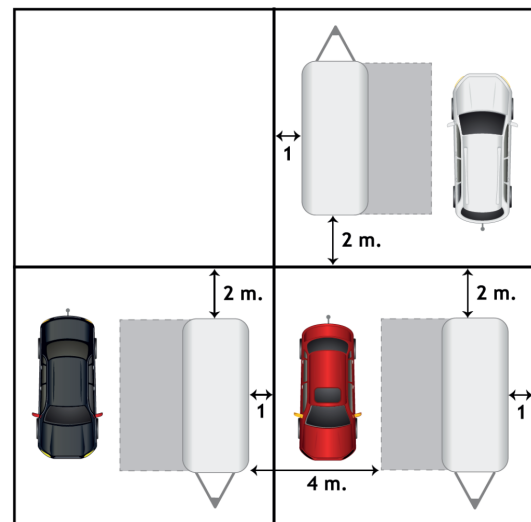

First Camp Ånnaboda is available from Friday at 13.00. The camping-site is situated in direct proximity to the arena. Here, all pre-booked caravans, camper vans (RVs), and some tent sites are allocated.

Enter/exit the camp-site from the west side or south side. First Camp's service buildings 3 and 4 can be used by those living at camp-site FC.

All sites for caravans and RVs have access to electricity via a CEE-socket.

One passenger car is allowed per caravan/tent site. It is also ok to use the ordinary parking for passenger cars in Sännaboda. Lineup the caravans/RVs according to this figure.

Check-out at latest on Sunday at 13.00.

Accommodation at Tent-site C

The tent-site is available from Friday at 13.00.

Tent-site C is situated at the arena area. **CEE socket for electricity is not available.**

Turn right directly before First Camp Ånnaboda and drive up the hill to "Parkering C" that is situated by the artificial snow tracks in Ånnaboda.

For each booked camping site at Tent-site C, one passenger car is allowed to park at "Parkering C".

Fire ban

It is absolutely forbidden to light fires at the arena and tent areas for safety reasons. Areas with residential tents are equipped with fire extinguishers on marked locations.

Accommodation-PM (Accommodation on hard surface)

Information

The associations have been allocated to two schools according to a separate list that will be published at Eventor and www.10mila.se by May 4 or earlier.

The hard surface accommodations are manned 24h.

Transport to the arena is not arranged by organizers. At each school, it is possible to make lists for riding together.

Take note and read detailed instructions at the respective school. A responsible leader shall be appointed for each association. Due to fire safety regulations, names of all persons staying at the schools must be provided at check-in.

Check-out must be made before Sunday at 12.00.

General safety regulations

- Residents are responsible for knowing where fire extinguishing equipment, emergency exits and emergency assembly points are located
- Emergency path-ways and exits are to be kept clear.
- Sleeping is only allowed on marked and allocated places.
- Smoking, cooking and making fires by/on the accommodations are prohibited.
