

Welcome to Hallands 3-days event from July 14th to 16th!

This weekend, we welcome almost 1500 orienteers to Toftasjön (Tofta-lake), located 10 km east of Halmstad.

There are competitions classes for participants from 10 years old up to women 85 and men 90.

We have runners from 12 different countries: Sweden, Denmark, Norwegian, Belgium, Netherlands, Finland, Germany, Poland, USA, Switzerland and Hongkong!

From Sweden there are runners from Ystad in the south too Umeå in the north.

262 campingspots have been booked, so we are looking forward to a big and fun competition.

The biggest club is OK Nackhe from Tvååker, with 52 runners registreted runners.

The terrain consists of spruce and pine forest of different ages. There are forest roads and forest pathes that can help you navigate. The elevation ranges from 20 to 120 meteers above see level.

There are three lakes and several marches is in the competition area.

The map was drawn this winter by Karl-Erik Engblom from Kartsam AB.

The organizers are represented by five different orienteering clubs:

OK Lindéna, Lahoms OK, Oskarströms OK, Simlångsdalens IF and Halmstad OK.

Hallands 3-days will return in 2027 to Halmstad (2024 Varberg, 2025, Kungsbacka, 2026 Falkenberg).

Training possiblies:

There will be a small competition in Oskarström on Wednesday, July 12th.

You can also choose to participate in Hittaut or Naturpasset.

In januari 2023, the Swedish national team had a training camp in Halmstad. While there are no markings left in the forest, if you would like the maps and the course, please contact: Kennet Horvath at halmstadkh@hotmail.com +4673 679 48 31

Old memories:

The terrain has been used to big events before, in 1993 the fifth and final stage of the O-Ringen 5-days event. Hallands 3-days was hosted here in 2014 and Hallandspremiären in 2019.

Halmstad OK's clubhouse Kaneberg ,is located approximately 3 km northeast of the arena.

Famous beaches in Halmstad:

Halmstad's coastline is famous for its sandy beaches and sand dune. The most famuos one is Tylösand. Frösakull, Vilshärad, Haverdal and Östra stranden is also very nice.

If you prefer to swim in a lake ,Toftasjön is just 200 meter east of the arena.

Tourist tip: Don't hesitate to contact Kennet Horvath at halmstadkh@hotmail.com or +4673 679

48 31 If you have any tourist questions 😊

We warmly welcome you to the second biggest summer orienteerin event in Sweden!
